**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was with comcast as well ATT in the past, but nobody provided a best service like this, and now am getting fast internet and happy with sonic. Since we are in this technology world, and have many devices at my home, we need high speed internet and i believe/trust that only sonic can provide.

With all this considerations, i fully support sonic for the service its providing to keep our life simple.
